

# Advanced Incident Command System

## ICS-400

May 8 & 9, 2012 (14 hours total)

This course is intended to serve as a vehicle to share proven incident management strategies and practices as well as to enhance teamwork and coordination among all response agencies' officers directly responsible for emergency response to an incident. The course is specifically intended for those emergency response personnel who have duties that require that they be directly involved in incident management or command at either a "field" Incident Command Post (ICP) or in a city, county, or regional emergency operations center (EOC).
